# ABOUT US

Primex Overseas is a dedicated export company committed to delivering premium-quality agricultural products from India to global markets. With a strong focus on makhana (fox nuts), we position ourselves as a reliable sourcing partner for importers, distributors, and brands seeking consistent quality, transparent dealings, and long-term collaboration.

India is the world's leading producer of makhana, and at Primex Overseas, we leverage this natural advantage by connecting global demand with authentic, origin-sourced supply. Our operations are built on a clear objective: to provide international buyers with a dependable, high-quality product backed by professional export handling and responsive service.

# VISION

To establish Primex Overseas as a globally trusted name in the export of premium-quality makhana, recognized for consistent supply, uncompromising quality standards, and long-term business partnerships.

We aspire to connect the richness of India's agricultural heritage with evolving global demand, positioning ourselves as a reliable and professional sourcing partner for buyers across international markets.

# MISSION

At Primex Overseas, our mission is to deliver excellence at every stage of the export process by focusing on quality, reliability, and customer satisfaction.

We are committed to:
